7	Have you traveled to a high exposure location in the past 14 days?	Y	N

If you have answered YES to any of the questions on this Screening Questionnaire you may not attend the CT Irish Dance Championships on October 30, 2021. Thank you helping keep everyone stay safe and healthy.

1 If you have had close exposure with someone who has symptoms of or has tested positive for COVID-19 you may not attend the CT Irish Dance Championships. It is necessary to isolate for 14 days after exposure. Additionally you should stay home for 14 days after exposure based on the time it takes to develop illness.

2 If you have tested positive for COVID-19, you may not attend the CT Irish Dance Championships until (1) at least 3 days (72 hours) have passed since recovery defined as resolution of fever without the use of fever-reducing medications and improvement in respiratory symptoms (e.g., cough, shortness of breath); and, (2) at least 10 days have passed since symptoms first appeared. I am agreeing to the above for the CT Irish Dance Championships.
